

THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia
E. Pinkham's Vegetable
Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live.

Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

HEINRICH WILL LEAVE Y. M. C. A. FOR INDIA FIELD

Waldo H. Heinrichs, who for the past two years has been social secretary of Honolulu's Y. M. C. A., will sail for India on the Chio Maru, May 7, to take up his new duties as secretary in the British territorial army. He will go to Hongkong first for orders regarding his post.

Mr. Heinrichs' call to the Far East, where his father and mother are missionaries, is a result of the European war. There were 12 secretaries of the army association staff called to the front with the colors and to fill those vacancies E. C. Carter, in charge of the British India Y. M. C. A., has called secretaries from America. Heinrichs was born in India but has not been there since coming to America for his education. He is a graduate of Denison University, Ohio.

While engaged in secretarial work in Honolulu Mr. Heinrichs has been preparing a paper on "Apprenticeship Methods in Modern Business." The paper will be presented to the fellowship committee of the Y. M. C. A. as a thesis covering his two years' training in the local association.

The work is extensive covering the question from the beginning of apprenticeship through the periods when all trades and crafts were preserved by the system to the complicated methods of today. The author reduces the lessons to be learned from apprenticeship and applies them to modern conditions. All the big plants of the world where apprenticeship is used are given space, such companies as the General Electric, Krupp Steel and Baldwin Locomotive are drawn from freely.

Commenting upon the thesis General Secretary Paul Super, under whose supervision Mr. Heinrichs worked, said: "Heinrichs' paper is one of the best fellowship papers ever prepared for the association. The facts he has marshalled into those 47 typewritten pages are valuable not only to the association but to the large plants of the country."

Heinrichs has been one of the most popular of the Y. M. C. A. executives. He was a crack athlete in his college days and to some extent kept up his active participation in track athletics after coming to Hawaii. His departure is generally regretted.

U. S. MARSHAL IS BUSY ARRESTING CULPRITS SUNDAY

Sunday or not, arrests must be made when the grand jury returns indictments and the attorney swears out bench warrants, says Marshal Smiddy, who yesterday completed the arrest of persons indicted at the last sitting of the federal grand jury.

Ralph Messenger of the 1st Field Artillery at Schofield was arrested on the charge of sending obscene pictures through the mail. The pictures were sent from Honolulu to Allentown, Pa. The addressee could not be found and when the package was opened at Washington the postal department communicated with the marshal in Honolulu. Messenger pleaded guilty and will be sentenced Wednesday.

Heinrichs was indicted by the grand jury, was arrested and pleaded not guilty to a charge of perjury. Weick is accused of making a false oath in taking out naturalization papers. He took out first papers 23 years ago and again in March of this year. However, the charge is not centered around the fact that he declared that he had not applied for papers previous to March, but that the place of nativity sworn to in the two declarations do not agree. In the first declaration Weick swore to being a subject of the Czar of Russia, in the second a citizen of the Swiss confederation.

The date for trial will be set Wednesday.

PORTER HAS NARROW ESCAPE.

Madame Pele seems to be still possessed of the emotions ascribed to her by the old Hawaiians and resents all the efforts of the scientific party at the crater to swing out over the lava lake for moving-picture taking or any other close observation.

J. F. Porter, one of the party under J. W. Haworth of Harvard narrowly escaped death by the snapping of the cable support to his cage in which he was being swung over the burning lava. Even the ledge to which the moorings had been fastened caved down into the molten mass below. Much of the apparatus was lost and the operators although still eager to get some real close views of the volcano fires are beginning to feel discouraged by the consistent failures to trespass into Pele's abode.

[Special Star-Bulletin Correspondence.]
SCHOFIELD BARRACKS, April 26.—Battery C clinched the Field Artillery championship Saturday, when they defeated Battery D by the close score of 5 to 2.

D Battery has been showing such good form on the diamond of late that a large aggregation of fans collected to witness the contest. Those who expected a hot fight were not disappointed.

Purcell, pitching for the losers, had the better of Gatley on the mound. But the "Little Giants" gave the latter such excellent support that they were able to win out.

In the last part of the second inning D Battery took the lead by putting over two runs. Venema singled and stole second, then scored on Miller's error which put Marr on first. Marr stole second and scored on Gauthier's error. Miller's team then settled down and played errorless ball for the rest of the game.

In the third inning C Battery tied the score. Jordan was safe on Purcell's error and Gauthier sent out a single. Butler then let Ryan's hot grounder through him and two runs came in.

The leaders put over the winning run in the third period. Schultz missed the third strike on Gatley and the latter reached first. Finkelstein walked and they both advanced on Moore's sacrifice. Finkelstein took third on Jordan's grounder but Gatley was out Palmer to Schultz. Gauthier, who was the only consistent hitter for the day, then brought Finkelstein in with another safety.

WOMEN AND THE WAR.

[Associated Press]

HAMBURG, Germany—Hamburg is to install women as conductors on the street cars so that the men may be free to go to war. The city now is seeking a number of strong young women for the cars running between Blankensee and Ohlsdorf to relieve the present employees. Berlin already has a number of women car conductors.

Miss Agnes Judd was unanimously chosen to fill the presidential chair held for the past year by former Governor George R. Carter. Mr. Carter was elected vice-president.

Four generations of the Hawaiian Mission children were present, the oldest member living being Mrs. Elizabeth Judd Wilder who was born in Honolulu July 3, 1831. The business session included the election of officers, there being no change in personnel. Mrs. R. W. Andrews and R. W. Andrews were continued as secretary and recorder respectively. Lyle A.
